metalac COOKWARE

Metalac cookware is made of top quality materials from European suppliers that meet all European and world standards and requirements from the aspect of health and food contact. Production of cookware possible with our brand name and with client's trade mark, brand name. Minimum order quantities are 1000 pieces per item for small size items (up to 10 cm diameter) and 500 pieces per item for bigger sizes. For decorated items as well as for items packed in gift box these quantities may vary depending on number of different items produced, type of packing and similar. Prices and quotations are available only upon specific enquiry that includes all finalized elements (color, type, decor, rim, logo on the bottom, packing, marking, labelling...) since same items in different colors may have different prices.

All our products are of European origin and Metalac Posudje as supplier is entitled to get issued EUR 1 certificate of preferential origin. The factory is certified by TÜV SUD for ISO9001 Quality Management System and ISO14001 Environmental Management System and its ILS compliance has been regularly confirmed by internationally accredited auditors. Metalac Posudje is a member of the Business Social Compliance Initiative (BSCI). We have been supplying well known clients worldwide and cooperating with famous retailers on PL basis.

YELLOW SAMANTA

More than 60 years of experience, the finest materials, modern technology and rigorously controlled quality classify Metalac Cookware among the best cookware producers in Europe. All process segments are under one roof - mechanical processing, enamelling, production of bakelite elements and decor transfers, product designing, packing materials and transportation of goods as well.
